FYI – I don't think Chris attached the document. Here you go. Would you be able to take a look early next week?

I can try to get to it Monday morning, otherwise I can't until Wednesday or Thursday. Perhaps Rich should take a look as well.

Hi Chris –

Would you be able to take a look at this press release announcing a public meeting for the CFAC site. I imagine off the top you'll want to put your contact information instead of Libby's. I'll take a look as well and can compile our comments to get them back to DEQ.

They're looking to release this next week. I know you're busy but would you be able to take a look by next Monday or Tuesday so we can get comments back in time for them to release it by Thursday?

Thanks,
Rob

Hi Rob,

Attached is our draft of the press release for the CFAC meeting. Please pass it on to whomever you need to and get us your comments back. Jenny Chambers wanted to send it out sooner rather than later, so I was thinking next week so that we don't do it the week of Thanksgiving. Please let us know what you think. Please make your changes and edits and get it back to us.

Thank you!
